As we are currently working on a project together, I wanted to let you know that I will be traveling Jan 22 - Jan 26, although I will be generally available during this time. I should respond to most issues during my absence, albeit a bit slower than usual.

If there are any issues you can foresee that I can help you with prior to my departure, please let me know.

I'll do my best to keep any of our pending projects moving forward during my absence.

Warmest regards,

As we are currently working on a project together, I wanted to let you know that I will be traveling Feb 19 - Feb 24 (four business days.) I will have limited access to my email and slower response times, particularly so on 2/19 and 2/24 due to travel.

If there are any issues you can foresee that I can help you with prior to my departure, please let me know.

I'll do my best to keep any of our pending projects moving forward during my absence.

Warmest regards,
